RE: Senior System design officer

To the Director General,

Please accept this letter as a letter of interest in the position of **senior system design officer**. I am a highly motivated and professional software engineering consultant with over 7 years of experience in this field and a proven track record of dependability, I've developed strategic initiatives that I feel would be beneficial to the East, Central, and Southern Africa Health Community, and I've demonstrated this over the years with an excellent record of consultancies at ECSA -HC

Throughout the course of my career, I have perfected my software engineering and cloud computing abilities. I am a capable and consistent problem-solver skilled at prioritizing and managing projects with proficiency.

In my current position as head of software engineering at HD Resources LTD, Kampala, Uganda, I have contributed to team efforts and company improvements by leading technical communication, planning, and software development. I am forward-thinking and cognizant of current advances in my profession. I've proved to be efficient and collaborative, as well as possessing strong critical thinking skills. I appreciate team efforts because they allow me to collaborate towards a common goal.

Please take a moment to review my attached resume and credentials. I would greatly appreciate the opportunity to speak with you regarding my candidacy. Thank you for your consideration.

Sincerely,

Ayebare Timothy
